WELCOME TO IMPSPORT

Impsport have provided custom cycling kit to the world's elite riders since the late 1970s, including Tour de France champions, national squads and professional teams. This experience is harnessed in the latest Impsport collections.

Our team of artists, printers and fabric technicians are all based at our Lincoln HQ, offering us a unique base of expertise and experience.

SPORTIVE RANGE

Offering high quality, entry level garments at competitive prices - ideal for charity rides, cycling festivals and corporate events.

T2 ROAD JERSEY

CUSTOM

Fully customisable jersey with full length, locking zip. Three streamline rear pockets and a zipped valuables pocket for safe storage.

BREATHABLE

Manufactured using highly breathable ClimaCore 140g technical performance fabric and Stretch-Aero ribbed fabric used to disrupt air flow.

FIT

The T2 Road Jersey offers precise patterning and a slim, athletic cut to maximise advantage in the riding position.

TECH

This lightweight jersey is finished with super-fine internal silicone grippers to hold the sleeves and body in position without adding additional bulk.

CUSTOM LEG BAND
T2 BIBSHORTS

CUSTOM

Specialist black fabrics offer supreme comfort whilst the leg gripper bands can be customised for great looking club or team colours.

FIT

Anatomic multi panel construction enhances flexibility for a more comfortable fit and offers superior compression to help keep muscles warm and optimise performance.

FABRIC

The textured fabrics used in the T2 Bibshorts have been wind tunnel tested to reduce drag and maximise aerodynamic shape and speed gain.

COMFORT

Impsport only use the best seat pads supplied by industry leading Dolomiti (Italy). There are 3 options all of which are highly breathable and fully antibacterial.

CUSTOM T2 BIBSHORTS

CUSTOM

Fully customisable leg and bum panels offer further branding / logo position options for great looking club or team colours.

FIT

Laser-cut, soft-silicone gripper bands hold the shorts comfortably in position and reduce unwanted garment movement.

FABRIC

Short middles utilise ClimaTec Stretch-Pro textured black fabrics for a prolonged garment life and maximum aerodynamic shape.

COMFORT

Soft feel comfort brace system holds perfectly with near invisible straps, the ultra-light mesh bib-back is highly breathable for greater ventilation.

SHORT SLEEVED
T2 SKINSUIT

AERO

The fabrics utilised in this garment have been especially selected for their unique streamline properties and benefit from air flow analytics.

CUSTOM

The design application is fully customisable and includes leg and bum panels plus laser-cut leg grippers for great looking team and club kits.

FIT

The tight, professional fit offers superior compression to help keep muscles warm and optimise performance.

COMFORT

Impsport only use the best seat pads supplied by industry leading Dolomiti (Italy). There are 3 options all of which are highly breathable and fully antibacterial.

LONG SLEEVED
T2 SKINSUIT

AERO

Extended aero sleeves disrupt air flow to minimise the drag coefficient of the garment and increase aerodynamic and speed performance.

CUSTOM

The design application is fully customisable and includes leg and bum panels plus laser-cut leg grippers for great looking team and club kits.

FABRIC

ClimaCore & ClimaTec fabrics wick moisture away quickly, keeping you cool and dry. Hard-wearing black Lycra middles provide a long garment life.

FIT

Soft silicone gripper bands hold the shorts comfortably in position and reduce unwanted garment movement.

OPEN ZIP T2 SKINSUIT

OPEN-ZIP

Combining the advantages of separate jersey and bibshorts with a streamline racesuit, the T2 Open Zip Skinsuit is ideal for longer endurance racing and for additional comfort.

CUSTOM

Anatomic multi panel construction enhances flexibility for a more comfortable fit and is ideal for logo application. The bum and leg panels offer more options for customisation and design.

POCKET

Featuring a unique raw edge back aero pocket which holds closer to the body for optimum aerodynamic performance.

COMFORT

Impsport only use the best seat pads supplied by industry leading Dolomiti (Italy). There are 3 options all of which are highly breathable and fully antibacterial.

CX THERMAL T2 SKINSUIT

THERMAL

Utilising ThermoCore fabrics throughout which trap a layer of warmth against the rider, making it the ideal garment for CycloCross racing.

COMFORT

Combining the simplicity of a separate jersey and bibshorts with the streamlined advantage of a racesuit, to make a comfort break or kit change super-swift.

WARMTH

Fabrics keep muscles warm, even at colder temperatures, and the long sleeves are finished with binding at the wrist to hold the garment securely and minimise cold ingress.

CUSTOM

The design application is fully customisable and includes leg and bum panels plus laser-cut leg grippers for great looking team and club kits.

T2 RAIN GILET

PROTECT

Designed for serious wet and windy riding conditions, the T2 Rain Gilet helps maintain core body temperature and protects against heavy downpours and wind chill.

REFLECT

The highly breathable waterproof fabric is finished with a reflective strip on the rear pocket and selected seams for added visibility in bad weather.

CUSTOM

The design application is fully customisable for great looking club or team colours. Featuring a slim, race-orientated cut.

COMFORT

High collar and longer tail section for extended protection from spray and splashes. Sweat is wicked away quickly to prevent clamminess.

T2 LIGHTWEIGHT JACKET

CUSTOM

Fully customisable intermediate jacket suitable for cooler early morning rides or a chilly evening. Featuring a slim, race-orientated cut.

COMFORT

Fleece-lined fabric traps warm air against the skin to create a barrier against cold. The DWR treatment is water-resistant to repel cold and damp.

WARMTH

High, fleeced lined collar for additional comfort and warmth. The highly breathable fabric helps to maintain body temperature without overheating.

REFLECT

Reflective strip on the rear pocket and selected seams for added visibility in bad weather and low light.

T2 WINTERJACKET

COLD

The soft-feel, fleece interior traps warm air against the skin to create a barrier against cold whilst the exterior surface deflects wind chill for ultimate protection from extreme conditions.

PROTECT

The high, fleeced lined collar, waterproof zip and water-resistant fabric keep out the cold and damp without overheating.

STORAGE

Two rear pockets and additional zipped pocket to keep belongings secure. Reflective strip on rear zipped pocket and selected seams for added visibility.

FIT

Slim, race-orientated cut for aerodynamic advantage in challenging riding conditions.

SIZE GUIDES & FIT

Impsport size charts are of body measurements only, not garment measurements. We do the work in our patterning to ensure that Impsport clothing is cut with the right amount of room to fit the measurements stated on the guide. We encourage you to measure yourself before choosing what size to order.
